LIVING WITH ALS SUPPORT GROUPS

The groups provide an open, friendly and safe environment for ALS patients, family members, friends and caregivers to discuss issues related to living with ALS. Experienced volunteers facilitate the groups, and they are a major point of contact between the Society and the ALS community. We recognize support groups aren't for everyone, but we also know that not too many people know exactly how fun support groups can be. We laugh and learn so much that it is hard to imagine why some people choose to "go it alone." Just know we're here when you need us.

Thank you to the Province of British Columbia for sponsoring the Support Group Program of the ALS Society of BC through a BC Gaming Grant.
