## Equipment Loan Program

### Equipment Catalogue:

With 3,030 pieces of medical equipment, our Equipment Loan Program is designed to help ALS Society members cope with the daily challenges of decreasing mobility and independence.

Through obtaining basic and essential assistive devices at no charge, we hope to reduce the financial burden and to enhance the quality of life of those living with ALS.

HealthLinc Medical Equipment Ltd (HME) is contracted by the ALS Society of BC to administer the loan program.

Our [equipment catalogue](#) provides more details on the available devices.
